Herobrine's return

👁 18 ✓ 0 ★ 4

Chapter 1 by Derek Jones

All I could see was darkness.

All I could think about was Notch, who had banned me from Minecraft.

Then I saw a bit of light, and a guy named Bill gates.

How could I know that? Because of a thing about me.

Because I am Herobrine.

"Herobrine, I have bought Minecraft, and I have decided to give you another chance." Bill gates boomed.

"You will survive, WITHOUT your powers, to convince me that your not a demon that will destroy Minecraft"

That's all I remember before the light glowed brighter, and I was gone from my prison.
